Dear colleagues,

Please find enclosed the minutes for the 132nd Meeting of the Presiding Board of UFE in Berlin on 10th December 2009.

- 2. 45th UFE Congress in Portugal from 20th – 24th September 2010**

We refer to the recommendation in Information No. 2/2010, to wait with any travel bookings for the time being. According to your feedback, we recorded your booking requests and passed them on to the Portuguese colleagues. We did not receive any information from the Portuguese colleagues, namely from Helder Ferreira, that any of the registrations could not be considered. We may therefore recommend you to make your travel arrangements and bookings now.

3. Preparation of a session of the Tax Commission of UFE

The Presiding Board of UFE had planned to hold a session of the Tax Commission of UFE in Brussels in April 2010, in the premises of the European Economic and Social Committee, including interpreting services. Unfortunately, for reasons of schedule, the Economic and Social Committee cannot offer us any rooms for a session during the first half-year of 2010. Therefore, we are currently looking for other rooms to hold a session. In preparation of the session of the Tax Commission of UFE, please find enclosed the agenda, with the request to inform us about any further items to be included in the short term. Furthermore, in preparation of the session of the Tax Commission and the 45th UFE Congress, please find enclosed a questionnaire of the Chairman of the Tax Commission of UFE, Serge Colin.

Please send us your reply to the issues posed until **31st May 2010, at the latest.**

4. Preparation of a session of the Customs Commission of UFE

The session of the Customs Commission of UFE planned by the Presiding Board of UFE for the first half-year of 2010 likewise cannot take place in the premises of the Economic and Social Committee.

We are currently trying to find other rooms to hold the session. In preparation of the session of the Customs Commission and the 45th UFE Congress, please find enclosed the draft agenda of the Chairman of the Customs Commission of UFE, Klaus-Hilger Leprich, with the request to inform us about any further items to be included in the short term.

Thank you very much for your effort in advance.

Yours sincerely

(R. Zender)
